Save the Hair

Newbro's Herpicide Will Do It.

No woman should have poor, thin, scraggy hair, and no man need become bald. Poor hair and final baldness are due to the dandruff germ. Newbro's Herpicide will destroy this little germ and stop the hair from falling. Further evidence of this is found in a letter from Mrs. F. Nelson, of Tonah, Wis. She says: "I fought the worst kind of dandruff for nine years. I have been using Herpicide now one week, and my scalp is healthy, the dandruff has gone and the itching has stopped. It is the best remedy for scalp diseases I ever saw, and I have seen many." Don't subject yourself to disappointment and expense by accepting something claimed to be "just as good" as Newbro's Herpicide. These off brands may possibly be good, but why take chances? The genuine and original dandruff germ destroyer can always be obtained. If your druggist has nothing, but "just as good" articles, go to other druggists, who will furnish you with Newbro's Herpicide and guarantee one dollar size bottles. It stops itching of the scalp almost instantly. Send 10c in postage or silver for sample and booklet to The Herpicide Co., Dept. R, Detroit, Mich. Applications at good barber shops.

BOY ALSO IS TO ANSWER IN COURT

Another poolroom case, in which James S. Tukul was the defendant, was tried in police court this morning, and Judge Murphy imposed a fine of \$50.

Tukul who runs a poolroom at 281 Twenty-fourth street, allowed minors to loiter about his place in the person of Norman Paulson who lives at 1916 Grant avenue, and says he is seventeen years old.

The attorney who appeared for the defense, said his client would swear out a complaint against the Paulson boy, declaring it was unfair that only one side should be prosecuted when both sides were at fault.

MISS HELEN WENGER WEDS R. J. HYLAND

The Congregational church was the scene of a pretty wedding last evening, when Miss Helen E. Wenger, daughter of A. A. Wenger, residing at 2526 Adams avenue, was united in marriage to Robert J. Hyland of Tonopah, Nev., by Rev. Frank G. Brainerd. The ceremony was performed at 8 o'clock, after which there was an informal reception at the church.

The decorations at the church were in green and white and produced a very pleasing effect. Miss Nora Sheekell of Salt Lake was maid of honor, while Misses Margaret Spargo and Jessie Lewis, the latter of Salt Lake, acted as bridesmaids. Thomas Keogh was best man. The ring-bearers were Miss Betty Knight and Master Max Reynolds, each carrying a basket of flowers. The ushers were Harriet Smith of Salt Lake and Paul Kuhn of Ogden.

Mr. and Mrs. Hyland departed last evening for a wedding trip and will be at home in Tonopah after January 1.

A Married Woman's Right to Rule

(Ella Ellis in The Arch.)
"It is cruel to say it, but only the woman who takes care to preserve her youthful charm has a right to rule her husband's heart. She should never neglect her hair or complexion. The hair can be kept light and fluffy and beautifully lustrous by dry shampooing. Mix four ounces of theorox with four ounces of powdered orris root or four ounces of cornmeal, whichever you prefer. Sprinkle on the head and brush through the hair. To keep the skin soft and lovely, and prevent the growth of hair gently massage the face, neck and arms daily with a solution made by dissolving an original package of mayatone in eight ounces of witch hazel. This is better than powder."
"Mother's Salve will remove chaps, cold sores, eczema and skin eruptions. It is a reliable cure for coughs, colds and catarrhs, as well as the best salve for sores, cuts, burns and scalds."

State Treasurer David Mattson some time ago that he had negotiated the sale of the bonds, but it was not until last night that the full details were given out.
Delivery to the banks will be made tomorrow morning. The sale of the bonds is on a par basis, as required by law, with accrued interest from July 1, 1911.

PROBATE AND MOTION MATTERS

This morning, before resuming the hearing of the Southworth case, Judge Harris devoted an hour to the consideration of probate and motion matters in the civil division of his court.
The petition of Liarry Hales, administrator of the estate of Sarah A. Lowe, deceased, asking for confirmation of certain sales of real estate and personal property, was granted.
The demurrer in the case of C. B. Johnson against Le Roy C. Nelson was overruled and the defendant given ten days in which to file an answer.
In the case of Elias Bakke against the Kemmerer Coal company and the Union Pacific against Amelia A. Stokes, et al., the hearing of the demurrers was continued until December 22.
The hearing of the demurrer in the suit of the Zion's Co-op Home Building and Real Estate company against George T. Stephens, et al., and the consideration of the motion for a new trial in the case of Sarah M. Taylor against the First National Bank were postponed and no time set for the hearings.

BRIGHAM BOY RACES WITH LION

BRIGHAM CITY, Utah, Dec. 14.—The largest mountain lion ever seen in this section and a 13-year-old boy on horseback were contestants in a handicap race yesterday. The lion was gaining, although one of its feet was weighted with a steel trap, and stood to win, when it was fouled by a second lion with a rifle.
Nephil Bots, a farmer's son, in riding to various traps set for coyotes, came upon the lion, whose forepaw was fast in a trap. He shot the lion in the head with a small caliber rifle. This enraged the beast, and it succeeded in breaking the chain of the trap. Nephil fled and the lion was in close pursuit when Nephil's brother, Lorenzo, aged 17, came to the rescue with a larger gun and finished the animal.
